# SINGLES

More than 1,000,000 and counting! Award-winning memorials and monuments. Worldwide. Worldwide. Worldwide.

A grid of nine images showing various styles of granite memorials and monuments. Each image includes a small yellow callout box with text. At the bottom, there is a legend: '1 - Headstone Only | 2 - "Headstone plus Urn and Casket" | 3 - "Headstone plus Urn and Casket"'. The memorials vary in size, shape, and material, including traditional upright stones and more modern, curved designs.

See also the Positive Check Send E site at to obtain additional information about the sending of articles to an appropriate magazine for your research. We review the problem of plagiarism through two mÅ © all: Check prevention tool and plagiarism of reviewers (ithenticate.com). All presentations will be verified by ithented before being sent to reviewers. ----- We are recruiting reviewers, if you are interested in reviewing the Presentations from our magazine, send your CV to crim@scieduppress.com (the CV must include its current affiliation, experience of education, research interests and its published articles). The clinical case reports also have a close relationship with the Cochrane collaboration and the presentations of case reports that are related to the systematic Reviews of Cochrane are a priority for the journal. The document will be reviewed by peers by three experts; Two reviewers from outside and a magazine editor generally involve when reviewing a presentation. All manuscripts and any supplementary material can be sent through the online review of the magazine and the peer review system or email to crim@sciedupress.com. Our goal is to publish manuscripts accepted in the electronic version in the version and first in two weeks after the final draft completed. ----- Selection of paper and processing of publication) Upon receiving the paper presentation, the editor sends a confirmation email to the corresponding author within 1-3 barbecues. To get more information about the magazine, visit the official EJCrim website: Å, www.ejcrim.com the Editorial editorial Editor, highlights the philosophy and scope of the magazine. Several reasons have been suggested for this, including "seductive income that is now derived from specialized medicine based on procedures." The editors and editors in Wiley would also be interested Å €
